Alexander (Sasha) Isakov is the

Pastor of 'Goodnews Church', our sister church in Vladivostok Russia. He and his wife, Natasha have two children, Katya and Alex, and grandchildren. Sasha worked in the merchant marine for many years and as a professor at the Soviet Navy Academy in Vladivostok. He and Natasha became Christians in the early 90's and started attending 'Goodnews'. He later became a deacon and then the pastor. Sasha has completed a ministerial course and is involved with the local ministerial association. Sasha faces many challenges as he attempts to extend love and open opportunities for the gospel in an antagonistic culture. He and his congregation very much appreciate the help and encouragement of the brothers and sisters of Wasilla Bible Church.

## CLOSED COUNTRY MISSIONARIES

We have two missionary couples that minister in "closed" countries. A closed country is one that is openly hostile to the work of Jesus Christ. Due to the sensitive nature of their situation their names have even been changed. We refer to them as **Alethea** (which means Truth) and **Charis** (which means Grace). One couple is involved in presence evangelism through their medical profession while the other is involved in scripture translation. Both couples serve "under the radar" for sure, but are openly supported financially and in prayer by WBC.

**ALETHEA** – (means Truth) Scripture translation for a people group in SE Asia

**CHARIS** – (means Grace) Presence evangelism in Central Asia
